

VIE SPA

Locals Day at Vie Spa

Enjoy high performance Pevonia Botanica skincare rich in healing ingredients to instantly leave your skin glowing. A tropical natural alternative to Botox derived from indigenous plants in south Asia and Africa, designed to increase the skin's plumpness within wrinkles and smoothing the skin, this **facial** coupled with our blissful **vitamin C eye enhancer** designed to target the delicate eye area relieving puffiness, dark circles and also creating the ultimate eye lift.

All customised to deliver you a decadent spa experience that not only deeply relaxes you, but will connect you with your inner youth.

70minutes of pure bliss for only \$135*.

Valid Wednesday's only during winter (Value \$195)
